## **NIAS Book Café**

**Thursday 10 November 2011, 16.00 - 17.30h @ NIAS Library**

The Rector is more than happy to invite you to the third **NIAS Book Café**.

The NIAS Book Café is an informal get together where recent publications by Fellows and '*NIAS publications*' by former Fellows are presented. Some of these publications are the tangible result of the fruitful work that has been done throughout the years at NIAS, while others are a good indicator of what is still to come.

A few authors are invited to give a short introduction to their work. The books are displayed to be glanced through. You are welcome to join in the discussion about the books and to find out about the exciting events and appealing publications that lie ahead.

The third NIAS Book Café will be held in the NIAS Library on 10 November and starts at 16.00h. The setting is informal.
